

include/m32_gpio.h

```
graph TD; A[include/m32_gpio.h] --> B[avr/io.h]; A --> C[avr/iom32.h];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'include/m32_gpio.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'avr/io.h' and the right box is labeled 'avr/iom32.h'. This indicates that the 'include/m32_gpio.h' file includes both 'avr/io.h' and 'avr/iom32.h'.

avr/io.h
